

[MCEdit Filters](#) >

AXMasTree

posted Dec 24, 2019, 6:04 AM by Adrian Brightmoore [updated Dec 24, 2019, 6:35 AM]

[@Jigarboy](#) asked for a Christmas Tree filter to help out with his mega-massive-Minecraft-map called "[Abstraction: Gifts](#)".

This is that filter.

To use:

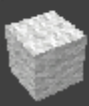

Make a selection box, then run the filter.
