Dropper

posted Mar 27, 2014, 11:33 PM by Adrian Brightmoore   [updated Mar 27, 2014, 11:44 PM]

Generate random Dropper challenges in MCEdit. After Bigre's concept, following @RSmalec's example, and suggested by @TheQMagnet

1. Select a region

2. Run the filter

3. Save and play!

Dropper Filter for making Mini maps in Minecraft
