Lines

posted Jun 19, 2013, 8:04 PM by Adrian Brightmoore   [updated Jun 19, 2013, 8:07 PM]

This is a filter that draws lines between all blocks in the selection area.

Building an Elite style spaceship in Minecraft with MCEdit

A quick Elite style Minecraft spaceship in MCEdit...

▶

Lines can also be used to draw sheets of material.
